In re Application of  
Steven Spano  
Application No. 09/747,443  
Filed: December 26, 2000  
Attorney Docket No. 230 P 034

:  
:  
: DECISION GRANTING PETITION  
: UNDER 37 CFR 1.137(f)  
:

This is a decision on the petition, filed July 25, 2002, to revive the instant nonprovisional application under the unintentional provisions of 37 CFR 1.137(f).

The petition is **GRANTED**.

The instant nonprovisional application is the subject of an application filed in a foreign country on November 9, 2001. However, the U.S. Patent and Trademark Office was unintentionally not notified of this filing within 45 days subsequent to the filing of the subject application in a foreign country.

In view of the above, this application became abandoned pursuant to 35 U.S.C. § 122(b)(2)(B)(iii) and 37 CFR 1.213(c) for failure to timely notify the Office of the filing of an application in a foreign country, or under a multilateral international agreement, that requires publication of applications 18 months after filing.

A petition under 37 CFR 1.137(f) must be accompanied by:

- (1) the reply which is met by the notification of such filing in a foreign country or under a multinational treaty;
- (2) the petition fee as set forth in 37 CFR 1.17(m); and
- (3) a statement that the entire delay in filing the required reply from the due date of the reply until the filing of a grantable petition was unintentional.

The instant petition has been found to be in compliance with 37 CFR 1.137(f). Accordingly, the failure to timely notify the Office of a foreign or international filing within

45 days after the date of filing of such foreign or international application as provided by 35 U.S.C. § 122(b)(2)(B)(iii) and 37 CFR 1.213(c) is accepted as having been unintentionally delayed.

The previous Request and Certification under 35 U.S.C. § 122(b)(2)(B)(i) has been rescinded. A Corrected Filing Receipt which sets forth the projected publication date of November 14, 2002 accompanies this decision on petition.

Any inquiries concerning this decision may be directed to Karen Creasy at (703) 305-8859.

This application is being forwarded to Technology Center Art Unit 2854 for examination in due course.

A handwritten signature in cursive script, reading "Frances Hicks".
